

University of Southern Maine Baseball Advanced Baseball Clinic

October 4, 2009

9:00 - 4:00

Objective: The USM baseball program presents an Advanced Baseball Clinic for high school players with aspirations of playing college baseball. Instruction will be given in the morning on pitching, hitting, fielding and baserunning. Immediately following, games will be played where each player will get minimum 3 at bats and pitchers will throw at least 1 inning each. A tour of the University of Southern Maine campus will be available immediately following the game.

Staff: The clinic and games will be coordinated by Head Coach Ed Flaherty and the University of Southern Maine Baseball Staff.

Fee: The fee for the day is \$ 75. The clinic will be limited to 60 players.

Location: The clinic will be held on the University of Southern Maine Baseball Stadium On the USM Gorham campus.
