

Fall 2008 - Important Financial Information

Paper bills will not be mailed to any student who registers for the first time, adds classes to an existing schedule or incurs other campus charges after August 8, 2008.

Students are responsible for reviewing on-line MaineStreet accounts to determine if a balance is due.

All charges posted after August 8, 2008 must be paid when incurred.

Payments can be made on-line in MaineStreet at: <http://mainstreet.maine.edu> or at a Portland, Gorham or Lewiston billing office or University College in Bath, Saco or Sanford.

All billing communication will be sent to student's official University e-mail address only.

Student Financial Aid awards can be found on the Web DSIS system. Go to the Financial Aid website at <http://usm.maine.edu/fin> for a link to this important information.

Loans will begin to appear on MaineStreet student accounts when lenders start to disburse funds in late August.

Classes begin: 9/2/08

Last day to add/drop: 9/15/08
