

SCHOOL COUNSELING – ADVISING ADVICE

You have entered a 60-credit Master’s degree program. Since all courses are not offered all semesters, it will be important for you to carefully select one of the prepared plans of study listed below. It is crucial to your success in the program that courses follow a logical sequence outlined in one of the following plans of study.

Reminder #1: HCE 686 Internship in Counselor Education must be taken at the end of your program after passing the Counselor Preparation Comprehensive Examination (CPCE).

Reminder #2: The elective is to be taken with the permission of your advisor. The elective will need to be an Exceptionality course if you have not already had one.

Reminder #3: It is recommended that School Counseling students take the National Counseling Examination (NCE). This exam cannot be taken before the last academic semester in your Master’s degree program.
