Please check this box if you have special needs or requests and write the specifics on the back of this form.

Registrations postmarked by January 20th will receive equal consideration for admission to course. After that date, registrations will be considered on a first-come, first-served basis.

Please make payments by check to Brandeis University and enclose it with your registration form to:

We will mail a confirmation of your registration and other information about the semester by early February.
