

Dear Osher Instructor,

I have enclosed copies of written student comments on the course you taught at the Institute in the Fall, 2004 session. These are sent for your information. Written comments were optional, so the number of evaluations may not correspond to the number of students in class during evaluations.

I hope these comments are useful for you.

Best wishes,

Martin F. Kaplan, Ph.D.
Director
Osher Institute of Lifelong Learning
California State University, Channel Islands
