

### **Your plans for Fall 2008 Survey**

To assist us in supporting you and other students, we would very much appreciate it if you would complete the online "Plans for Fall" survey (see links below).

Responses to this survey are completely confidential and will only be reported in the aggregate.

The survey does provide an opportunity for you to request that someone from USM contact you. Please know that this request form is separate from the survey (you leave the survey to complete it) and that all requests for contact will be sent directly to me for response. As a result, it is impossible to link a particular survey with a request for contact, further ensuring the confidential nature of the survey itself.

Thank you in advance for helping us by completing the online survey. USM is committed to your success as a student and we want to know how we can be of assistance.

Sincerely,  
Susan M. Campbell, Ed.D.
