

**UNIVERSITY OF SOUTHERN MAINE
SUPPLEMENTAL APPLICATION
BACHELOR OF SCIENCE PROGRAM IN NURSING**

The School of Nursing accepts a limited number of transfer students to the Bachelor of Science program in Nursing once a year for fall semester. To be eligible for consideration of admission to the nursing program, transfer students must have a minimum overall GPA of 3.0, a minimum science gpa of 2.67, and have met USM math and writing proficiencies. *Please note: Meeting the minimum requirements does not guarantee admission to the School of Nursing.*

Fall Admission 20 _____

Please note: We do not admit directly to the nursing major for the spring semester. If you are planning on attending USM for the spring semester in another major and would like to be considered for nursing for the fall semester as a current student, send this application, resume, and essay to USM Nursing Admissions- see address below

Name: _____ **Date of Birth:** _____ **USM ID (if available)** _____

Campus Preference (you may choose one or both campuses):

_____ **Lewiston-Auburn:** Small campus with strong sense of community among faculty, staff, and students; personal support and interaction with faculty. Nursing courses offered in one cohort. Average class size 30 students. The majority of clinical sites are generally within 40 miles of the Lewiston-Auburn area.

_____ **Portland:** Larger urban campus. Nursing courses offered in two cohorts. Average class size 45 students. Clinical sites are generally within 40 mile radius of Portland.

Supportive Courses: To help us evaluate your application, please note the institution and date that you completed or plan to complete the following courses: *Please note: completion of these courses is not required for admission to the program*

Course	Course number	Institution	Semester/Year
English Composition			
Anatomy & Physiology I & lab			
Anatomy & Physiology II & lab
