Retirement Plan - UMS offers a retirement plan administered by TIAA, where both the employee and the employer contribute. Employee and employer basic contributions are made to the 403(b) Defined Contribution Pension Plan. The unit member contribution is 4% and University share 10% for an annual total of 14%. Additional voluntary employee tax-deferred contributions above the member's 4% may be made to the 403(b) plan or a 457(b) Deferred Compensation Plan. For Non-Represented Faculty (excluding Law Faculty) vesting is immediate for UMS' contribution. For all other non-represented salaried employees (including Law faculty), vesting is after completion of five (5) years of service.

(Please note: In UMS' 403b pension plan, there is a vesting component referring to when you own the funds contributed. You are always vested immediately in contributions from your paycheck. Thus, the vesting reference above describes when you own the University's contribution as well.)
