## INDEPENDENT STUDY APPLICATION

Independent studies are intended to encourage supervised undergraduate research. With permission of the instructor, **juniors, seniors, or graduate students** may elect independent study related to their major or minor. No more than 4 credits may be earned in a semester. No more than 12 credits of completed independent study courses shall be counted toward an undergraduate degree.

The student submits an independent study application to the department chair. This application should include a detailed description of the proposed program of study.

*Please meet and discuss this request with your primary academic (faculty) advisor.*

**Your proposal for an Independent Study Project must address each of these five topics:**

**1) Learning Objectives:** What will you learn to do, know, or understand as an outcome of this project?

**2) Activities:** What will you do? Be specific, indicating what you will observe, measure, perform, etc.

**3) Resources:** What will you need for the project? Include bibliography, people, agencies, budget, and equipment.

**4) Evaluation:** What will you produce or perform which your faculty sponsor will evaluate for a final grade? How frequently will you confer with your faculty sponsor?

**5) Preparedness:** How can you verify your capacity to carry out this project? Include instruction, experience, and ambition.

**Please indicate Y/N below.** If you are unsure of an answer, consult with your advisor. Students must meet all criteria below to be eligible to be considered for an Independent Study.
