Modification Information

IMPORTANT REMINDER

The **only** way to make changes to the study protocol is to make them in a modification submission.

- If you are looking to renew study approval, a Renewal submission is needed. (Submit amendments separate from the continuing review).
- If you are looking to report an event or incident with the study, an Incident submission may be needed.
- If the study is complete, a Closure submission may be needed.

* Are you making changes to the project?
