# NSF OIG Hotline

If you have received an offer from someone on social media claiming to be an NSF representative and offering grant money, THIS IS A SCAM. Please do not respond and immediately report the details to the FTC. NSF funds research and education in the fields of science and engineering through a competitive funding process.

## Hotline Complaint Form

Report fraud, waste, abuse, mismanagement, or research misconduct involving the National Science Foundation.

To ensure all relevant information is captured, we recommend you submit your complaint online using the button below.

**Online Complaint Form** https://oig.nsf.gov/hotline

Alternatively, you may submit your complaint through our telephone hotline or by mail.

**Anonymous Hotline:** 1-800-428-2189

**Mail:** National Science Foundation
Office of Inspector General
Attn: OIG Hotline
2415 Eisenhower Avenue
Alexandria, Virginia 22314

For general inquiries about reporting fraud, waste, and abuse: oig@nsf.gov

## Whistleblower Retaliation Information

All NSF employees, contractors, subcontractors, awardees, and subawardees are protected from retaliation for making a protected disclosure.

If you believe you have been subject to retaliation for protected whistleblowing, or for additional information on whistleblower protections, please click the button below.
