Changing your USM/UMS Password

UMaine passwords must be changed every 180 days.

1. Log into https://mycampus.maine.edu/group/usm/home using your UMS credentials.
2. Click on the padlock icon in the launch pad.
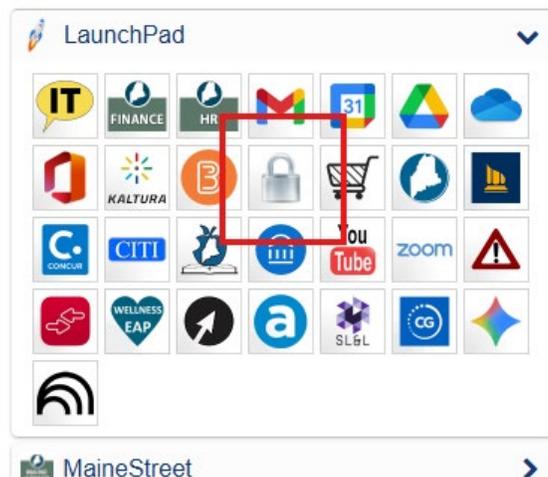

3. You may be asked to re-enter your current User ID and Password.
4. You will then see a UMS Account Password Change form where you enter your old password, then enter a new one.
