Important Notes:

In addition to using this guide, always discuss your curriculum plan with your Faculty Advisor!

- a. Electives can be taken during any semester, and are often taken during the summer. The SSW offers graduate elective options every semester, including summer. Students can take up to 6 elective credits outside the SSW with prior approval from their Faculty Advisor.
- b. Students can complete a Graduate Thesis in lieu of two elective courses. Refer to the [MSW Thesis Manual](#) for more information and discuss this option with your Faculty Advisor.
