Accelerated Graduate Pathway Guide
MAINE LAW 2020-2021
Undergraduate Program Check Sheet to be Used in Combination with Student's Major Check Sheet

Students pursuing the Accelerated Graduate Pathway to Maine Law will be able to use up to 30 credits from their first year of law school to fulfill undergraduate *elective* credits. It is required that students work with their advisor(s) to create a graduation plan upon declaration of the pathway. **Creating a graduation plan ASAP is crucial particularly in the accelerated law pathway** because 1) there are important actions like preparing for the Law School Admission Test (LSAT) that pop up as early as sophomore year and 2) it will be advantageous to the student to build "room" into their elective credits for law courses and plan their sequencing early. **Students must apply and be accepted into Maine Law.** **Additional info:**

Approved undergraduate majors: Criminology, Economics (BA or BS), English, Environmental Planning and Policy, Geography-Anthropology, History, Liberal Studies- Humanities, Linguistics, Philosophy, Political Science (Political Science Track), Psychology, Social & Behavioral Sciences, Sociology, Women & Gender Studies

Minimum undergraduate GPA: 3.5

Graduate entrance exam: LSAT ★ score that is no lower than the current median LSAT posted on the Maine Law website

Requirements to begin taking graduate-level course: 90 earned undergraduate credits, **acceptance into Maine Law**

Semester students can matriculate into the graduate program: Fall

Maximum graduate credit that can be applied to undergraduate degree: 30 credits
