D. Assessment of Student Learning

1: Has your department identified any Student Learning Outcomes? (What are students able to do by the end of your program?)

- a. *List the most important student learning outcomes (3-5) that have been agreed upon in your department. Then, identify which student learning outcome (1-2) was assessed this past year.*

We have identified those outcomes that are consistent with the Socio-Cultural Analysis (SCA) outcomes, identified in the new core, for our Introductory Microeconomics and Introductory Macroeconomics courses.

2: How and When will the Learning Outcomes be assessed?

- a. *Briefly describe the forms of evidence that were utilized this past year to demonstrate students' accomplishment of the learning outcome(s) selected, and when you implemented the assessment.*

- b. *If your department/program did NOT assess any outcomes in the past year, please check here .*

3: How did you use the Assessment results to Improve Student Learning?

- a. *Briefly describe your unit's process for using the assessment data to improve student learning, and state what improvements or changes are being planned based upon the assessment results. See Appendix A for definitions and examples.*
- b. *If your department has NOT reviewed any assessment results in the past year, please check here .*
