CLASS CANCELLATION

Faculty members are expected to be present for all scheduled classes. If an instructor is sick and unable to attend classes, the appropriate Department Chair or Program Director should be contacted at the earliest possible time so that students may be informed of the cancellation.

If inclement weather or other situations result in the University canceling classes, the schedule and campus locations of canceled classes will be posted to the USM website and announced on local radio and television stations. Classes may, for example, be held in the evening although morning and afternoon classes were canceled. Announcements are typically made at around 6:00 a.m. for morning or all day closings and 2:00 p.m. for evening closings. Information about class cancellations is also available by calling 780-4800. For Lewiston-Auburn College cancellations, call 753-6595.

Any cancellations during the week of final exams will result in exams being rescheduled for the day following the last day of scheduled exams.
