

Departmental Capstones (updated May 2016). Don't see your capstone on this list? E-mail

susan.mcwilliams@maine.edu.

For Faculty: At this stage, you need only identify which course(s) your department has designated for the capstone. Capstones are reviewed and approved by the CCC on a rolling basis.

For Students: be sure to consult with your advisor on your capstone requirement. Most students will complete their Capstone as part of their major requirements. Some departments offer capstones courses that aren't required in the major, but that must be completed to satisfy the Core capstone requirement. Check with your advisor.
