

Listing of Field Placement Sites –Elementary Schools

Below is a listing of approved field placement sites. **Do NOT contact any site without checking with the field placement coordinator first.**

- Plan to meet with your advisor to discuss possible internship sites. You will complete a practicum/internship request form with your advisor at this time.
- The school field placement coordinator (Linda Evans) serves as the liaison between the program and placement sites. The field placement coordinator will contact the sites to inform them of your interest, unless the coordinator indicates otherwise.
