### **Athletic Training Major Approved Electives**

Athletic Training electives may need to be completed to meet the university's 120 credit graduation requirement. Consult with an Athletic Training advisor to determine if you need to complete elective credits and to choose elective course work.

---

*\* Students with <24 transfer credits must complete USM's Entry Year Experience (EYE) requirement. Transfer students with 24+ credits may substitute EYE with an approved elective.*

*@ May be taken any semester; must be completed by the start of spring semester, second year*

*& May be taken any semester; must be completed by the start of fall semester, third year*

*+ May be taken any semester so long as prerequisites are met; must be completed by the start of fall semester, fourth year*

*% May be taken fall or spring semester third year so long as prerequisites are met; must be completed by the start of fall semester, fourth year*

*# May be taken spring semester third year or fall semester fourth year so long as prerequisites are met; must be completed by the start of spring semester, fourth year*

*^ May be taken as soon as prerequisites are completed*
