USM Inclement Weather Policy

From time to time USM will close the University due to inclement weather. When the cancellation is for an entire day, the class content will be made up at another time or through additional, outside of class, assignments.

When the school opens late or closes early, and the time selected is during the middle of class, we will still hold the class unless you are otherwise notified by me. Two examples:

- If class starts at 1pm, but the University is closing at 1:30pm, we will still have class unless you hear from me.
- If class starts at 1pm, but the University is opening at 1:30pm, we will still have class unless you hear from me.

AT Program Inclement Weather Policy for Clinical Experience:

In the event that USM is closed OR your clinical site is closed due to inclement weather, you should not attend clinical. In addition, if you feel uncomfortable driving/traveling to clinical, or your method of transportation is closed (bus, train, etc...) due to inclement weather, contact your preceptor and Noel Neptune.
