

UNIVERSITY OF SOUTHERN MAINE
ATHLETIC TRAINING PROGRAM
PROGRAM AND STUDENT OUTCOMES

1. Performance of Graduates on the Athletic Training Board of Certification (BOC) Examination

Student Outcome: Pass the Athletic Training Board of Certification (BOC) Examination

Program Outcome: Across three, four and five year periods graduates of the program will maintain an aggregated first time pass-rate of 70% and an overall pass-rate of 85%.

2. Evaluation of Clinical Site by Student

Student Outcome: Students will report positive clinical site experiences throughout their enrollment in the curriculum.

Program Outcome: Clinical sites will consistently receive positive evaluations from students.

3. Evaluation of Preceptor by Student

Student Outcome: Students will evaluate preceptors positively throughout their enrollment in the curriculum.

Program Outcome: Preceptors will consistently receive positive evaluations from students.

4. Evaluation of Student by Preceptor

Student Outcome: A preceptor will evaluate a student positively during the student's clinical rotation.

Program Outcome: At the completion of the program students will have received positive evaluations from preceptors across all of the student's clinical experiences.

5. Completion of Clinical Proficiencies by Student during Clinical Rotations

Student Outcome: A student will successfully complete all skills included in the program's proficiency packets associated with each clinical course.

Program Outcome: Students will successfully complete all skills included in all course proficiency packets across the curriculum.

6. Academic Course Performance by Student

Student Outcome: At the completion of each semester a student will maintain a minimum of a 2.5 cumulative grade point average. Furthermore, a student will obtain a grade of "C-" in each required course in the athletic training curriculum.

Program Outcome: Each cohort of students will graduate with a cumulative grade point average of 2.5 or above.

7. Completion of Exit Survey by Graduating Student

Student Outcome: Upon graduating from the program a student will report a positive undergraduate athletic training experience.

Program Outcome: Each graduating cohort of students will report a positive undergraduate athletic training experience.

8. Placement of Alumni within One-Year of Graduation

Student Outcome: Within one year of graduation students will report either being employed as an athletic trainer or being enrolled in another degree program.

Program Outcome: Within one year of graduation 70% of graduates will report either being employed as an athletic trainer or being enrolled in another degree program.

9. Evaluation of Course and Instructor by Student

Student Outcome: At the completion of each course students will evaluate the course and the faculty member.

Program Outcome: Evaluations for both athletic training instructors and courses taught will be positive.

10. Peer Review Evaluation of Faculty

Student Outcome: Students will provide faculty with positive feedback as part of the faculty peer review process.

Program Outcome: Faculty undergoing the peer review process will receive a positive recommendation from the department's peer review committee.
