PPM Field Experience

OBJECTIVE: to provide students with an opportunity to augment their classroom learning with practical experience in the processes of government or a non-profit agency.

Your experience should be helpful to you in your job search. If you feel that the experience is unprofessional because of harassment of any form, please report to me immediately by email and phone. If your supervisor changes or any other major changes occur, please let me know so that I can make any changes for you as necessary.

Credits: None. Grading: P/F
Students work a minimum of 150 hours

REQUIREMENTS:

Work:
Work should be of a professional/technical nature in a nonprofit or governmental agency. Usually this involves working on a project or a number of small projects. There is no guarantee of a paid field experience.

(See PPM Field Experience Check List for more information)

1. Read What Color is my Parachute (parts relevant to your interests) You do not need to get the latest addition. The author comes out with a book each year, changing it ever so slightly.

2. Employer/Supervisor evaluation. This is a non-confidential evaluation. Give the evaluation to your agency supervisor. You can return it to me or have the supervisor return it to me.

3. Summary of what you did

Grading: The final grade of Pass/Fail is based upon:
Completion and submission of all work on the check list and checklist turned in. Satisfactory evaluation from the site supervisor
