

Articulation Agreement  
between  
Central Maine Community College  
and  
University of Southern Maine's Lewiston-Auburn College

Effective Date: March 31, 2016

To support the transfer of students in the spirit of collaboration, Central Maine Community College (CMCC), Auburn, Maine, and University of Southern Maine (USM-LAC), Lewiston, Maine, hereby enter into the following articulation agreements between

CMCC's Associate in Applied Sciences Degree in Criminal Justice  
and  
USM-LAC's Bachelor of Arts Degree in Social and Behavioral Sciences

USM-LAC agrees to accept course credits earned with a grade of C or better at CMCC in the attached check sheets and apply them as appropriate to USM-LAC degree requirements for CMCC students who are accepted to and are enrolled in relevant USM-LAC degree programs and who have completed the Associate's degree indicated. USM-LAC academic residency requirements still apply.

Both institutions will make this information readily accessible and available to all interested parties, including but not limited to: students/potential students, relevant staff, advisors, faculty members, program chairpersons, and college/university deans.

This agreement is effective for CMCC students beginning in USM-LAC degree programs in the Fall 2016 semester, and may be amended, extended and/or updated by mutual agreement on a year-to-year basis. Both institutions agree to discuss curricular changes on an annual basis for the upcoming year and to make any resulting adjustments to this agreement.

**Note A:** Several classes that fulfill the core categories are *also* required by the major and can be used to meet *both* requirements.

- *ANT 101 Anthropology: The Cultural View* meets the SCA core requirement as well as a requirement of the major.
- *SOC 100, and SBS/HRD 200 and CRJ 245 Criminology* also meet the SCA core requirement.
- *ANT 101* also meets the DIV and INT core requirements, but can only be applied to one of these two. Other required SBS courses also fulfill these core requirements, and additional 'double-dips' are listed below.

**Note B:** CMCC's *MAT 100* or *higher* counts as a general elective **unless** it is Statistics, in which case it can fulfill both the QR core requirement and the requirement of the SBS major in place of *LCC 150 Statistics for Informed Decision Making*.

**Note C:** If the Advising Pathway Course 6 is CRJ 297 Externship, it can be used to fulfill the *LAC 447 Internship* requirement of the SBS major.

- If the student is changing fields or settings, however, an additional internship may be to their benefit. This should be determined jointly with their advisor.
- If a student is already working in their desired career and setting, the Internship may be waived in consultation with their advisor.
- Alternatively, students may be able to use their current work setting for the internship, with the addition of new duties, learning outcomes, and supervision. Students should speak with their advisor about these possibilities.
- If the student selects the Counseling Concentration, the internship must be in a clinical setting.

**Note D:** SBS students are encouraged *but not required* to take *LCC 200 Creative Critical Inquiry* to fulfill the CI core requirement.

**Note E:** CMCC CRJ students may choose either COM 100 or COM 101. COM 100 fulfills the CE requirement; COM 101 does not.

**Note F:** If a student selects the SBS degree without a concentration, up to two suitable non-SBS courses may be counted as SBS electives; this includes Prior Learning Assessments (PLA) for previous experience or training. (At least two out of the six SBS electives be selected from, or deemed equivalent to, Fundamentals courses.) **The Prior Learning Assessment (PLA) process may be used to earn SBS elective credits with or without registering for the SBS 323 Portfolio Development course.**

**Note G:** *LCC 370 Toward a Global Ethics* meets both EISRC and major requirements. *LCC 370* additionally meets the INT core requirement.

**Note H:** *SBS 300 Deviance and Social Control* meets both DIV and major requirements.

**Note I:** The Thematic Cluster requirement is met by any CRJ Advising Pathway courses at the USM 200-level or above.

- Some advising pathway courses may fit better in other spots.
- CMCC's *CRJ 225 Race and Ethnicity Issues in Law Enforcement* is recommended as an elective for students planning on completing the SBS degree
- A course in government or civics (such as *LCC 220 U.S. Democracy: Origins and Development*) is recommended as an elective for students interested in careers in advocacy. One aim of the SBS degree is to build understanding of social policies and government processes critical to advocating effectively for one's clients, profession, etc., as reflected in the *SBS 430 Applied Social Policy* course requirement.

**Note J:** *LCC 480 Senior Seminar* meets both CAP and major requirements

\* Fundamentals courses are: SBS 305 Child Development, SBS 306 Adolescence, SBS 310 Childhood and Society, SBS 311 Theories of Personality, SBS 341 The Family, SBS 345 Diversity: Many Voices, SBS 381 Introduction to Globalization, SBS 390 Brain and Behavior.
