

Transfer Articulation Agreement for Baccalaureate Degree
between
Eastern Maine Community College
and
University of Southern Maine

Statement of Purpose

Eastern Maine Community College (EMCC) and the University of Southern Maine (USM) have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year community college to a university. It is recognized that this agreement shall describe the required program of study at EMCC for admission eligibility to USM and the Baccalaureate Degree Program indicated.

Terms and Conditions of Academic Credit Transfer

To: **Bachelor of Science in Health Sciences**
(Name of USM Academic Program/Degree)

From: **Associate in Science in Medical Radiography**
(Name of EMCC Academic Program/Degree)

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Eastern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as USM students. All applicants accepted to USM's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B, & C.

- * Appendix A Contains Admission & Graduation Requirements of the Receiving Institution
- * Appendix B Contains Side By Side Course Equivalency Tables for the academic program listed above
- * Appendix C Contains a four semester map of remaining courses to be taken at USM

(Important Note: The information contained in Appendices A, B, & C is accurate for Catalog Year 2016-2017 and the current transfer equivalency listing. For up to date information please check [MaineStreet](#) for transfer equivalencies and <http://usm.maine.edu/catalogs> for the current course catalog year.

APPENDIX A

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions requirements: Successful completion of the EMCC Associate in Science in Medical Radiography, submission of a completed admission application, transcripts and other supporting materials. For coursework to transfer to USM, a student must earn a grade of C- or better.

For a list of application instructions and checklist: <http://usm.maine.edu/admit/application-instructions>

Requirements for the USM Bachelor of Science in Health Sciences: Remaining required coursework is listed in Appendix C. Student must maintain a cumulative GPA of 2.5 to graduate.

USM Residency Requirement: At minimum, thirty (30) of the last forty-five (45) credits of a student's baccalaureate course load must be completed at USM.

APPENDIX B

Subjects represented in italics are optional. Credit totals reflect possibility that these classes may not be taken. Subjects in bold are required. If subjects in italics in Appendix B are not taken at EMCC, the sequence represented in Appendix C cannot be observed.
