* Includes mandatory fees charged each semester to all students. Additional fees may be applied and include, but are not limited to, course fees, specialty accreditation fees, and online course fees.

Please visit <http://www.usm.maine.edu/studentaccounts/tuition-and-fees> for further information on fees.*

COURSE DESCRIPTION

Teachers will explore the use of online tools that support student learning, collaboration, and communication that extends beyond classroom walls. They will also become knowledgeable about curricular best practices and skills as they fit into the K-12 classroom. Emphasis is given to cloud computing and collaborative technologies for a digital age school. GSuite for Education as well as digital based learning theories will be explored. Educators will be exposed to many of the GSuite Applications as well as create a final project and presentation of how they will use the tools in the classroom setting. Cr. 3
