COURSE DESCRIPTION

Having a foundation in mindfulness knowledge, study, practice, and skills, the student will have the essential beginnings to study and practice this language which has as its core empathy for oneself and others and one's experience rather than from evaluation, blame, advice, judgments. This language is conducive to use in all aspects of education as it gives language to respect, non-judgment, compassion for self and others whether students, colleagues, school staff, and parents.

Prerequisites: *Previous 3 credit or week long Mindfulness-based Stress Reduction course (UMA/USM/UM) or Instructor permission.*
