

# USM Recreation

**Position:** Intramural Program Referees

**Qualifications:** Federal Work Study

**Location:** Gorham and/or Portland Campus

**Job Description:** Intramural Program Referees will officiate a variety of intramural sports and events that are offered by USM Recreation. These referees will manage an inclusive, fun, and safe environment for participants to compete in. They will be enforcing the game rules and are expected to attend any staff meetings that may occur. At these intramural events, there will be a Graduate-Assistant present to ensure all events run smoothly and to assist the Intramural Program Referees in any way possible.

## **Job Responsibilities Include:**

- Set up and take down equipment for intramural programs.
- Track attendance of participants and verifying eligibility on IMLeagues.
- Enforce intramural policies and procedures during contests.
- Officiating Games and reporting final scores to IM Leagues.
- Attend referee trainings and any other staff meetings

## **Availability Requirements**

- Must be available on weekday (Monday-Thursday) nights.
- Occasionally available on weekends for special events.
