The attached application and this cover sheet are to be completed by any student attending The University of Southern Maine as a nonresident and who wishes to be considered a Maine resident for tuition purposes. The notarized completed application with all required documentation attached <u>and</u> this cover sheet are to be sent to the Senior Associate Director of Student Accounts, University of Southern Maine, P.O. Box 9300 04104-9300. All applications must be received no later than the first day of classes for the fall, spring or summer term for which residency is requested. <u>Applications may not be retroactive.</u>

Typically, one of the five conditions listed below must be met in order for a student to be approved for a change of residency status. Please check the condition under which you are applying for a change of status, and include this

sheet as the cover of your completed, notarized application. I have read the attached University of Maine System Residency Guidelines which provide additional details regarding the criteria used to determine residency. 1. The applicant has lived in the State of Maine, for other than educational purposes one year prior to registration (non-matriculated students) or application for enrollment (matriculated students). A residence established for the purpose of attending a UMS campus shall not constitute domicile. The burden of proof will be on the student to prove that he or she has established Maine domicile for other than educational purposes. Documentation of ties to the community that go beyond those typical for a student is required. Letters demonstrating active involvement in state/community based activities are encouraged to be included with supporting documentation. 2. The applicant is dependent upon his/her parents or legally-appointed guardians and his/her parents or legally-appointed guardians have been domiciled in Maine for the prior year. 3. The spouse of the applicant or domestic partner of the applicant currently has continuous, permanent full-time employment in Maine and their employment began at least 12 months prior to the applicant registering or applying for enrollment at USM. 4. The applicant is the spouse or the domestic partner of a Maine resident who can demonstrate Maine domicile one year prior to the student registering or applying for enrollment. 5. The applicant is a member of, a dependent of a member of, or is the spouse or domestic partner of a member of the United States Armed Forces actively stationed in Maine or, if actively stationed elsewhere, a member who has maintained Maine as his/her domicile. A dependent, spouse or domestic partner must be using education benefits to qualify for instate tuition if other criteria are not met. (Name-Please Print) (Student ID)
