

SMCC AA Liberal Studies to USM BA Psychology

The following Transfer Map highlights the Pathway that leads a student from an Associates in Liberal Studies at SMCC to a Bachelors of Arts in Psychology at USM. The information is pulled from the Maine System’s transfer tool and the 2023-2024 academic course catalogs at SMCC and USM. The map will be updated each academic year if any changes are made to the course equivalencies listed here. Students following this map should monitor for updates.

The key directions:

- SMCC students should follow their Liberal Studies degree audit sheet.
- Every course on the audit sheet that is completed with a C- or better earns the same number of credits at USM—the equivalent USM courses and credits will later appear on your USM transcript.
- The SMCC Liberal Studies degree has 62 credits. Another 58 credits will be required at USM to earn the USM Psychology degree. The 58 USM credits will be a combination of Psychology major requirements and general electives.
- An SMCC student can begin satisfying USM Psychology requirements by taking the Psychology classes identified in **STEP 2** below as electives within the SMCC Liberal Studies major.
- An SMCC Liberal Studies degree waives the student’s academic Core requirements at USM.
