Please pre-order your graduation regalia by April 1st.

You may continue to order after that though we may run low on sizes closer to Commencement. Ordering early ensures that we will have your size available.

Academic Honor Cords are for **bachelor degree recipients** that have met specific GPA requirements. The University Store receives a list from the Registrar's office by April 22nd and will begin putting them in orders where applicable at that time. If you receive your regalia before that date, feel free to check with the staff about your honor cord status after April 22nd.

Cords will also be available at Commencement in the lobby of the arena.
